Tonbridge School and Town

Internationally renowned
Tonbridge School sits
firmly in the heart of the
historic market town in a
spacious, green campus
of 150 acres.

- Boys and girls aged 8-17
- Top UK school founded in 1553
- Beautiful historic buildings in a 150 acre campus
 - Accommodation; single, twin, triple and quadruple rooms with shared facilities
 - Superb swimming pool and extensive sports facilities, media centre and theatre

The school's history dates back to its foundation in 1553, and its buildings have great character and architectural significance, including as they do a magnificent chapel, as well as many more modern buildings, such as the superb swimming pool and sports centre, media centre and theatre.

Dedicated block of classrooms, with smartboards and wireless internet access, and the programme involves use of many of the school's facilities and resources.

There are three comfortable boarding houses adjacent to the school campus for our sole use. Boys and girls may mix in recreation areas but may not enter each other's sections of the boarding houses. There is a range of room types, including singles, twins, triples and quadruple, and room type can be confirmed at the time of booking. Bedrooms have shared bathroom facilities, which afford an appropriate degree of privacy. Staff members are accommodated within the boarding houses and are available at all times to provide assistance and a high level of supervision.

The town of Tonbridge attracts many international visitors and offers a wide range of shops and amenities, with a train station providing easy access to London, which is less than 45 minutes away. At the centre of the town, and just next to Tonbridge School, sits a well preserved 13th-century motte-and-bailey castle, set in beautiful gardens.

There is a strong link between the novelist Jane Austen and the school and town - her father, George, was a pupil of the school and later a teacher there. The literary connection is further established through the novelist E M Forster, who studied at the school and in whose honour the impressive school theatre is named.

General Information

Course staff

Our World English Schools offers an excellent ratio of staff to students, according to the ethos and high standard of student care that our courses follow. We employ carefully selected and suitably qualified teachers in the classroom and responsible members of activities staff to organise and run an extensive social and excursion programme.

Our centre is led by a Centre Manager who is directly responsible for the welfare of all students and staff. He/she leads a team of teaching, activities and welfare staff who teach the students in the classroom, accompany them on excursions, instruct and supervise the students' social programme and ensure high levels of safety and welfare. Most staff are also resident in the boarding houses with students. We employ a team of enthusiastic and capable staff who ensure the students' safety, wellbeing and enjoyment at all times in order for the students to gain the maximum possible benefit from the course.

Arrivals and departures

Students should arrive at and depart from London Gatwick or London Heathrow airport or London St Pancras Station.

Transfer from flights/trains can be accommodated for a supplement fee and handled by our experienced staff. (Further information is located on our website including fees and dates).

Students will be met at the airport or train station by a member of Our World staff at the appropriate exit point, carrying a board with the Our World English Schools logo and the student's name. If several students arrive at a similar time of day, some may be asked to wait until we have met another arrival before leaving the airport or station. Upon departure, Our World staff will accompany students to the airport or station and will stay

until they have gone through security into the departure area.

Students must have a valid return travel ticket, complete with a time and date. It is essential that we are kept informed of any changes to the students' travel arrangements. Parents must not assume that we have received details of changes until they are acknowledged by us in writing.

Meals

Students will have most of their meals in the school dining hall. A large selection of hot and cold options are on offer for breakfast, lunch and dinner, with vegetarian options also available. Drinks and snacks are provided during break times.

Any special dietary requirements can be catered for upon request. Packed lunches will be provided on excursions. Pocket money and valuables All course expenses are included in the course fees, however, students may want to bring a small amount of pocket money for souvenirs and other expenses e.g. UK sim cards. We believe £100 - £150 per week should be adequate. Upon the student's arrival, their passport, pocket money and other documents will be collected and a banking service will be available.

In the interests of safeguarding, student bedrooms do not have locks on the doors. Valuables may be left with the Centre Manager in the Course Office. Our World English Schools disclaims responsibility for loss or damage to students' personal possessions, money and other valuables, except when officially banked with us.

Student accommodation

Girls and boys are accommodated separately and may only mix

in the recreational areas. The student residences include single/twin/triple and quadruple bedrooms with shared facilities. Bed linen will be provided and changed once a week.

Clothes and laundry

Clothes are laundered once a week by the school. Students may be expected to sort out their own clothes when they are returned clean, so it is a good idea to have name tapes on items which are not readily identifiable, such as white T-shirts. Students must bring their own towels and toiletries.

Student safety and welfare

All staff are safeguarding trained and several are also trained in First Aid. Students will be taken to the local health centre or hospital when necessary. Please include any relevant medical details on the application and medical forms.

The students are under the supervision of the course staff when they are off-campus, except where they have written permission from their parents and course staff to have free time (within a designated area) during shopping times.

Insurance

Students are advised to arrange insurance cover for personal possessions and medical treatment.
